

September 2019

1. CJCC

COMPLETE and ONGOING!

The CJCC is was created in 2012 and advises the Board of County Commissioners on the planning for, management of, and evaluation of Lewis and Clark County's criminal justice systems.

2. Statutory Requirements

ONGOING!

The County Attorney's Office provides an bi-annually review of statutory requirements contained in current sentencing legislation for felony and misdemeanor offenses.

ONGOING!

The CJCC may determine need to pursue legislation to eliminate selective statutory requirements.

3. State DOC

NEEDS TO BE ADDRESSED!

Need to provide additional capability to the State DOC to enhance their ability to provide timely and reliable pre-sentence and other documentation needed by the Lewis and Clark County Court System.

NEEDS TO BE ADDRESSED!

Need to reduce the detention time in County jail for detainees already sentenced to the DOC and waiting placement.

NEEDS TO BE ADDRESSED!

Need to address Re-Entry planning for individuals exiting the DOC system.

CJCC has asked the CAC to consider addressing the State DOC objectives

4. Pretrial Services

COMPLETE and ONGOING!

Pretrial Services Program implemented in May 2018 with a validated screening tool and research-based procedures.

In Process!

CJS is in the recruitment process for two additional Pretrial Officers; bringing the caseload to 100 defendants per officer and providing a mechanism for continued supportive services for individuals with SDMI, post-adjudication.

Working Toward:

Working with Gallatin County, NAPSA, and State OCA on design of a POST curriculum for Pretrial Officers.

Updates in Red!

5. Specialty Courts
